

DWG. No. : KL-DFD-024
SHEET No. : 1 of 1

ALL DIMENSIONS ARE IN mm

NOTE:

1. The size, type (PCC / RCC), ETC. of the concrete structure, forming part of the foundation may be decided to suit the soil conditions.
2. Foundation height above ground level (i.e.,) dimension - X may be decided to suit the site conditions, especially in respect of expected water level.
3. PVC / GI pipes for entry of supply cable and the material required for the concrete foundation are not in scope of our supply.
