

# Deco Hanger Lighting Pole

K-LITE

**Deco Hanger** is an architecturally designed solution which is discreetly fused with modernity. This pole offers a solution to the cities which are adopting modernity but also preserving their heritage values

## Features:

- Deco Hanger pole with single / double arm is designed for street lighting, suitable for various street lighting luminaires.
- This architecturally designed pole is structurally sound. Pole design parameters vary depending on the type of bracket and loading factor.
- Pole sections are swaged and joint together using special v groove technique by certified welders using high end MIG welding processes.
- Built-in control box with cast aluminium service door and safety rope.
- The control gear tray is prewired with MCB, terminal connectors for loop-in loop-out arrangement.
- CE - Conformity mark

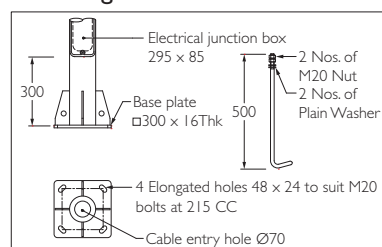

ID	Arm	A	H
KP-8237	Single Arm	1200	7000
KP-8238	Double Arm	2400	7000
KP-8243	Single Arm	1200	9000
KP-8244	Double Arm	2400	9000

**Finish :** Coated with epoxy zinc phosphate primer and finished using environmentally stable polyurethane based paint.

**Applications :** Various luminaire options make it suitable for lighting main / secondary roads, streets, boulevards and public places.

**Installation :** Surface mounted with base plate and fitted on a pre formed foundation.
