

Cissor Orna Lighting Pole

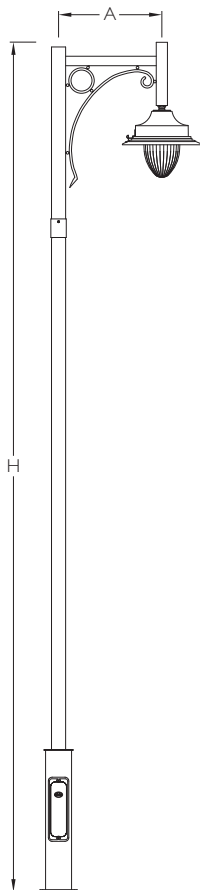

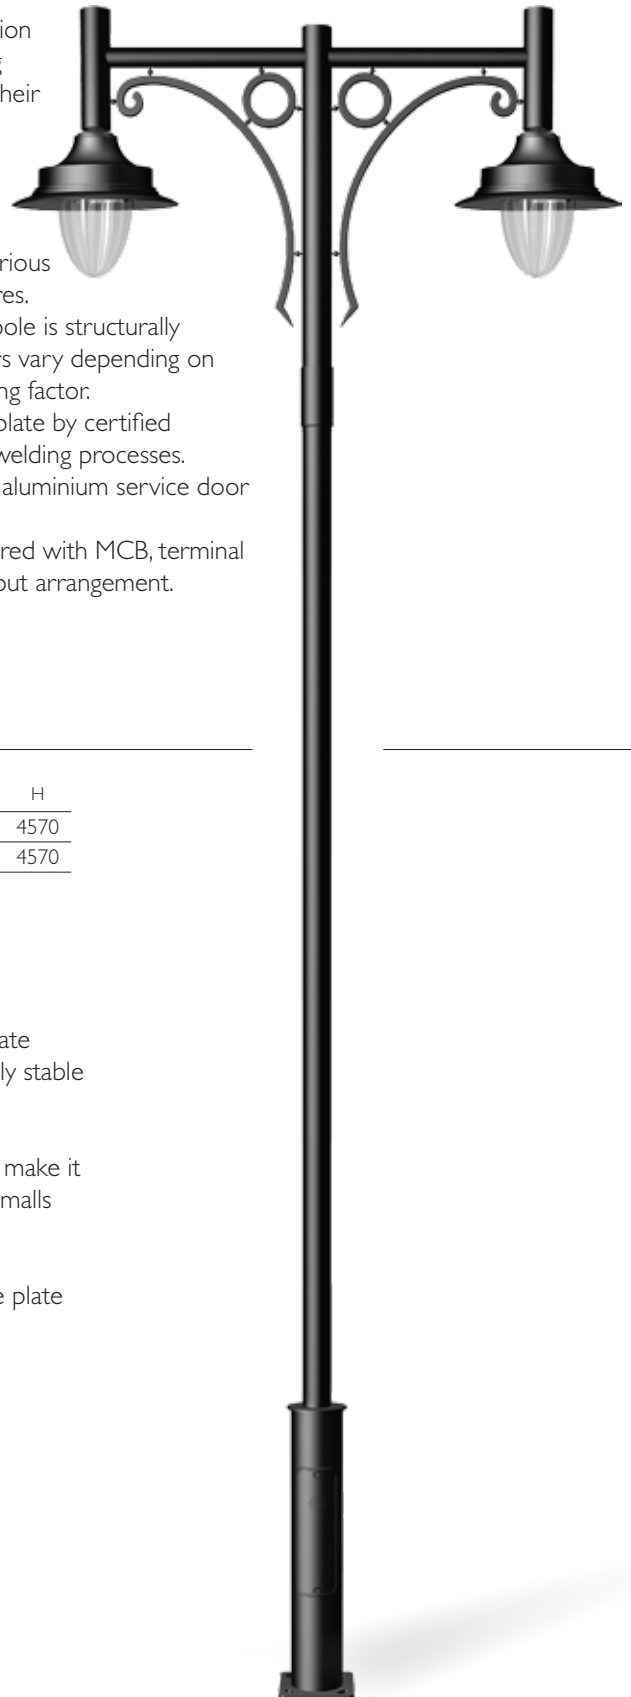

K-LITE

Cissor Orna is an architecturally designed solution which is discreetly fused with modernity. Cissor offers a solution to the cities which are adopting modernity but also preserving their heritage values.

Features:

- Cissor Orna pole with single / double arm is designed for garden lighting, suitable for various pendant type lighting luminaires.
- This architecturally designed pole is structurally sound. Pole design parameters vary depending on the type of bracket and loading factor.
- Pole section welded to base plate by certified welders using high end MIG welding processes.
- Built-in control box with cast aluminium service door and safety rope.
- The control gear tray is prewired with MCB, terminal connectors for loop-in loop-out arrangement.

ID	Arms	A	H
KP-4728	Single Arm	555	4570
KP-4729	Double Arm	1110	4570
