

Empire Lighting Poles

K-LITE

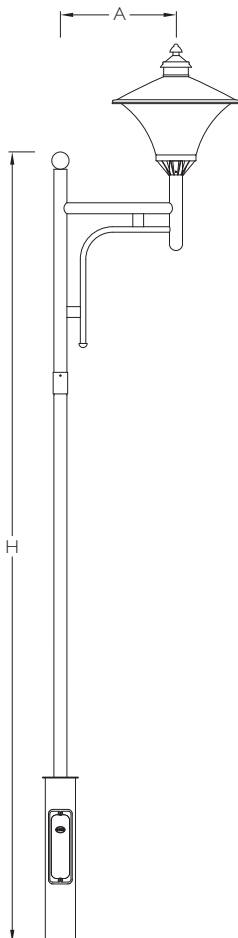

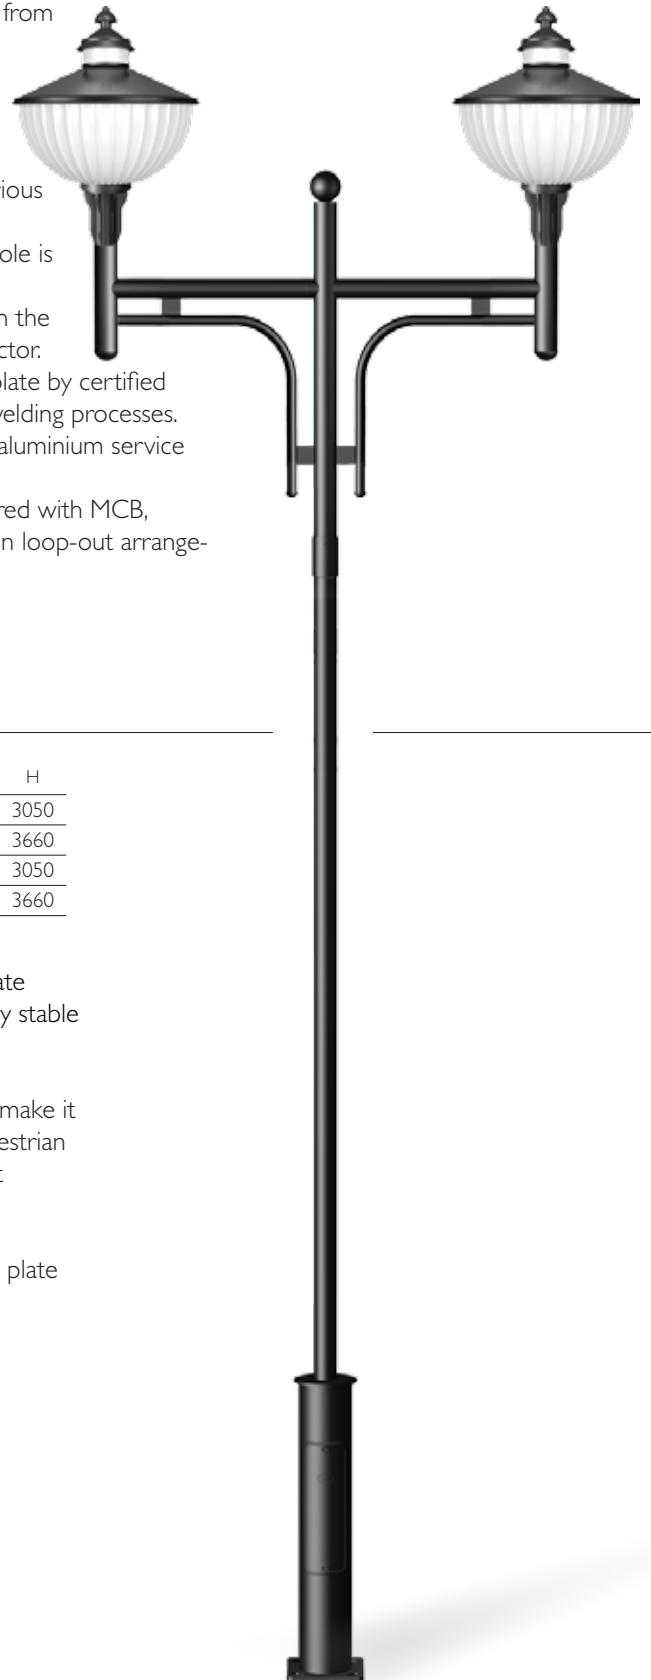

Hyderabad Airport

Modern design of **Empire** is forward thinking, energetic and contributes an air of confidence incorporating the elegant forms from last century.

Features:

- Empire pole with single / double arm is designed for garden lighting, suitable for various pole top luminaires.
- This architecturally designed pole is structurally sound. Pole design parameters vary depending on the type of bracket and loading factor.
- Pole section welded to base plate by certified welders using high end MIG welding processes.
- Built-in control box with cast aluminium service door and safety rope.
- The control gear tray is prewired with MCB, terminal connectors for loop-in loop-out arrangement.

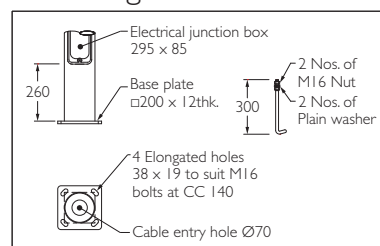

ID	Arms	A	H
KP-4474	Single Arm	535	3050
KP-4485	Single Arm	535	3660
KP-4476	Double Arm	1070	3050
KP-4486	Double Arm	1070	3660
