

Muskan Lighting Poles

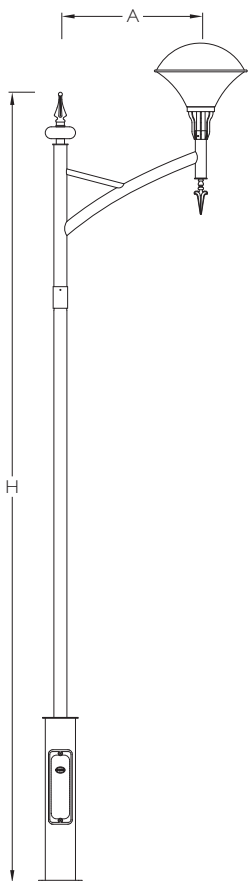

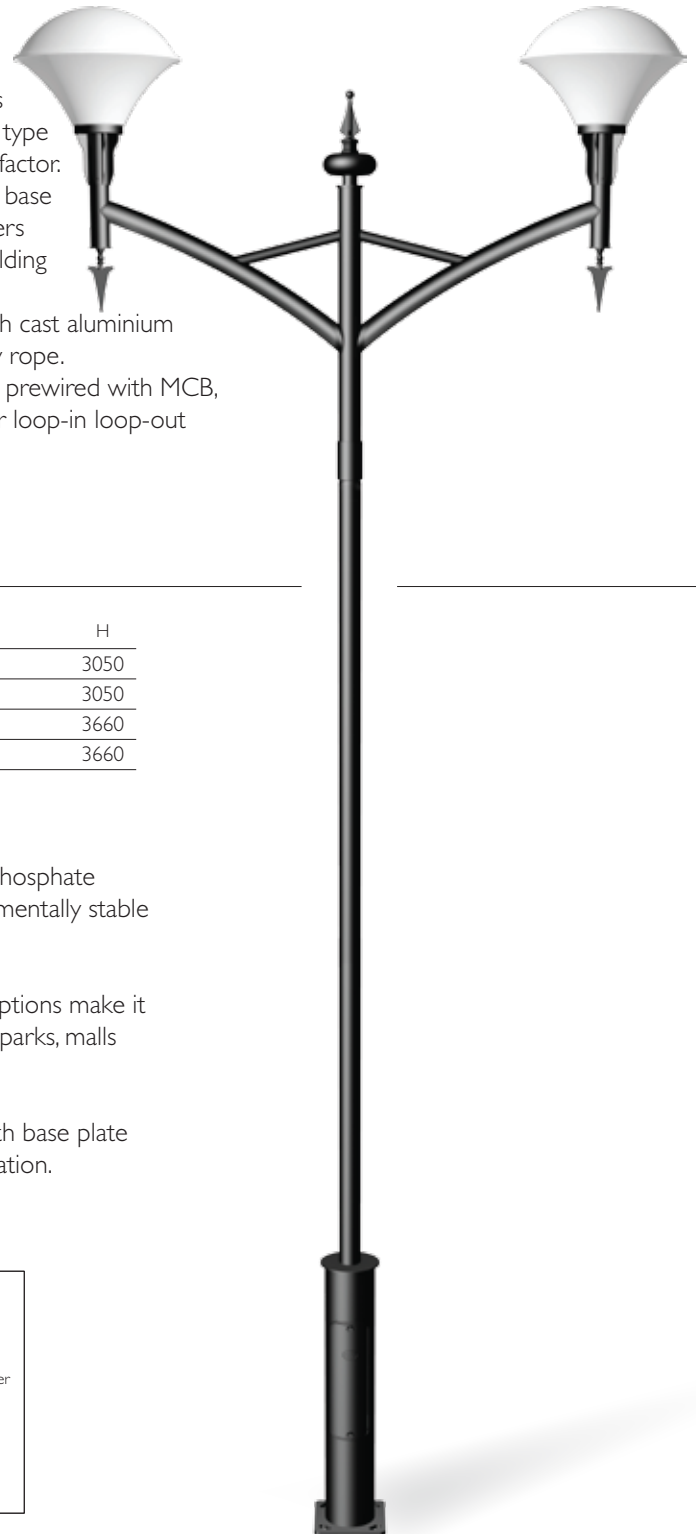

K-LITE

Muskan is marked by simplicity to display minimalist architecture. The design evokes the values of serenity and modernity of metal.

Features:

- Muskan pole is designed for garden lighting, suitable for various pole top luminaires.
- This architecturally designed pole is structurally sound. Pole design parameters vary depending on the type of bracket and loading factor.
- Pole section welded to base plate by certified welders using high end MIG welding processes.
- Built-in control box with cast aluminium service door and safety rope.
- The control gear tray is prewired with MCB, terminal connectors for loop-in loop-out arrangement.

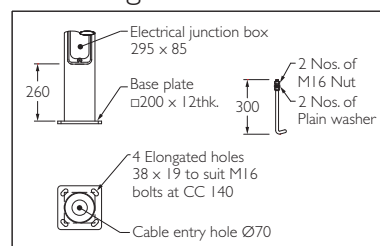

ID	Arms	A	H
KP-4627	Single Arm	650	3050
KP-4628	Double Arm	1300	3050
KP-4629	Single Arm	650	3660
KP-4630	Double Arm	1300	3660
