K-LITE HISTORY

At K-LITE, we are more than just quality and people connected.

Originating with the global lighting industry and inspired by innovation, K-LITE has been providing lighting solutions since 1987.

Today, K-LITE represents the industry by quality and commitment, creating architectural lighting in several global markets.

From the day we began our journey, we spent becoming the best at every step possible, every action, the remarkable ability of light.

K-LITE's rich history of passion and innovation is not just a story, but a journey that aims to create a world where light is more than just a tool, but a source of inspiration.
