

ARCHITECTURAL LIGHTING

ILLUMINATING LANDSCAPES: KLITE'S HIGH-QUALITY ARCHITECTURAL LUMINAIRES

"Established in 1977, Klite is renowned for its extensive range of high-quality architectural luminaires and poles that cater to diverse applications and design preferences."

Since its inception, Klite has operated manufacturing units in Bhopal and Chennai, focusing on the production of sustainable and efficient LED luminaires. These units ensure that Klite's products meet stringent quality standards while embodying elegant aesthetics.

Klite's landscape products are designed to withstand various environmental challenges such as wind, water, direct sunlight, rain, and dust. Each outdoor luminaire boasts high IP (ingress protection) and IK ratings, ensuring robustness and durability suitable for outdoor and landscape applications.

The Landscape range offered by Klite is comprehensive and versatile. It includes Linear Wall Washers, Up-Down Lighters, LED Strips/Neon Flex, Promenade Lighting, Bollards, Underwater Lighting, Post Top Luminaires, Bulkheads, Pathfinders, IP67 Linear Profiles, Polar Lighting, and a newly introduced series of Facade Lighting.

Klite's commitment to innovation and quality shines through in every product, blending functional efficiency with aesthetic appeal. Each luminaire in the landscape range is meticulously crafted to enhance outdoor spaces, offering not only illumination but also enhancing the visual appeal of architectural environments. Whether illuminating pathways, accentuating building facades, or creating ambiance in public spaces, Klite's luminaires deliver reliability and elegance, making them the preferred choice for architects, landscape designers, and developers aiming to transform outdoor spaces with lighting solutions that marry form and function seamlessly. ■
