SHARMILA KUMBHAT, K-LITE INDUSTRIES

“These awards are a testament to our team and innovation efforts centered around delivering the best value for our consumers while also being conscious of our impact on the environment.”

Sharmila Kumbhat
 Director, K-Lite Industries

K-Lite is proud and delighted to announce that we are once again proved of our dedication to keep the K-Lite flag to fly high by winning strings of awards in recent years, which were both artistic and commercial successes.

Recently, on 18th August 2021, “The National Architecture and Interior Design Excellence Awards & Conference 2021, Global Edition” has recognised the best efforts of K-Lite and Ms.Sharmila Kumbhat has been awarded with the following prestigious & coveted awards.

■ **“Best & Most Innovative Lighting Company of the Year 2021 (India)”** under **Quality Products and Premium Projects** category to K-Lite Industries.

■ **“Outstanding Performance & Contribution in Business Domain”** awarded to Ms.Sharmila Kumbhat.

These awards were presented in a glitterati function at Hotel Taj West End, Bangalore, which was attended by over 100 designers & architects

These awards are a testament to our team and innovation efforts centered around delivering the best value for our consumers while also being conscious of our impact on the environment. With this added motivation, we will continue to work with renewed vigour towards achieving our vision of “Unlocking the extraordinary potential of light for brighter lives and a better world.”

It’s a major boost and a stepping stone for all of us to feel proud of this significant moment as Klite is the only company recognised in the lighting category. Together we can make a difference and make this world more sustainable.
